

Gauteng Environmental Management (Pty) Ltd and Gauteng Metal Recyclers (Pty) Ltd, working together under one umbrella.

Both companies falling under a similar shareholding and management structure, have created the opportunity to provide our Clients and Suppliers with a Service provider who is able to service all waste and recycling requirements within the sector.

Both companies trade from the same Operational yard, as well as Administration head office.

It is therefore confirmed that certain certification, linked to the address of the facility maybe be in either Gauteng Metal Recyclers (Pty) Ltd or Gauteng Environmental Management (Pty) Ltd registered company name, but shall be applicable to both entities.

For any clarification on which certificates are applicable, do not hesitate to contact monique@gautengmr.co.za
